ALEXIS FORD

TIFFANY TAYLOR

Alexis Rules

I was at a bachelor party for my best friend and Alexis shows up. Apparently she knew a couple of the guys who invited her. Even though I didn't have the opportunity to speak with her one on one, I did sit with her and the guys in a group chat. She was very nice and good natured. Even when one of the guys started jiving her about her work. She put him in his place when she invited him to motorboat her boobs, and right there she pulled her top down and pulled his head to her chest. We all laughed and laughed -- at him!

— Bruce, Nashville

If I Had Tiffany...

I'd grab her long hair, wrap some of it around my hand and pull her head back. I'd ride her hard, slapping her ass from time to time. Now she's unable to concentrate on anything but my cock poking her insides. She'd brace herself as her whole body would shiver on my cock. I know she was cumming as I keep humping hard trying to outlast her. She finally cums squirming and buckling, her sweaty body sliding all over me and the bed. Oh Tiffany!

— Raul, Tampa

I'm Just a Girl

I used to be the perfect wife. I was into baking cookies, wearing stocking for my husband, getting manies and peddies (I still do that), and Twittering all my housewife friends every day. Well, things had to change with him and I made those changes. Now... things have changed a lot – and I mean a lot. So far I have not heard any complaints from any of my new men. I found out that like to suck big balls, deep-throat a cock, finger-fuck my pussy, swallow, and girls, too. I'm experimenting now and it feels great. I didn't know I had this much sexual energy in me. It seems like every new sexual situation makes me tingle in ways I haven't tingled before; and I like it, a lot. I've also discovered that I like big cocks, they're a lot of fun. I may let my lover fuck me in the ass sometime soon.

– Breanne

I Love Girls Kissing

My BFF and I went to the club last week and the bouncer cards us girls. Flattered and giggling Marla and I pull out our IDs and show them to the guy. He holds them up to our faces and smiles as he gives them back to us. Once inside, we make our way to a table and moments later a waitress comes over and takes our drink order. Marla and I nurse them as we look around the large room dimly lit with pockets of glowing, pulsing colors. I grabbed Marla's hand and we get up to dance. The dance area was pretty crowded, mostly with women, and many were so skimpily dressed, their boobs would bounce around and out. Short skirts seemed to be the dress of choice and many got hiked up as the ladies gyrated around the dance floor. On the floor was a woman came over and asked if she could join us and we all danced together. In the club lights, she looked hot and we all started kissing each other and feeling each other up. It was so hot, that we left the club and headed home. Just the three of us!

I LOVE to fee,I good!. Call me spoiled rotten, but I really did cute guys with good builds. They don't have to be as handsome as an Adonis or a Fabio, or even as hung as a John Holmes. I want a toned man who knows how to use his cock to please a woman. This woman. I invite you to sit back and watch!

THE MAN CAVE

SOMETHING
NEW

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

My name is Peter and my new wife, Jenny is sitting with me watching TV in my newly completed man cave! It took me six months to fix this up and now she and I are going to initiate it. I can't wait. I suggested we turn the TV off and try something new. New? Yes, even though we've only been married a year, our sex life is starting to stagnate. We try to think of ways to spice it up and tonight it was my turn to come up with something new... in my new man cave!

I say we should sit back to back, and tell each other what we would do to one another. The first person to touch themselves, has to be the other's sex slave. Jenny and I sit on the floor, back to back. "I'll start." I tell her that I'd walk up behind

her, place my arms around her waist and start kissing, and nibbling on the back of her neck.

Then I would slowly caress her breast with my right hand, while holding her close with my left. As I press against her, she will be able to feel my hard-on against her butt cheeks. Then I'd lick and kiss my way to the side of her neck, where I'd suck and nibble gently. Then I'd lift her bra up, so that I'd caress her breasts – skin-on-skin. She stands there with her eyes closed, thinking about this and starting to get very wet.

Then I slide my hand down the front of her pants, caressing her crotch from outside her pants first, feeling her wet-

ness. While pinching her nipple and caressing her crotch, she rocks her hips back and forth, feeling my hard cock pressing against her butt. I then turn her towards me, and we kiss, pressing my lips against hers, feeling her body getting excited with each time our tongues touched each other. I then remove Jenny's shirt and bra, to lick, suck and nibble on her hard nipples, running my tongue all over her nipple while pinching the other. She moans and lets out a short sigh. I take her nipple between my teeth and gently bite as I run my tongue all over the tip, making her go crazy.

Then I kiss my way down to her belly button, licking and kissing her down to her pants. I then undo the button and slowly unzip them. Taking both hands, on either side of her hips, I slowly remove her pants. I ask her to step out of her pants,

She lights a candle, and then lays back on the floor. She allows the wax to drip on her breast as she rubs her clit with an ice cube.

kissing my way back up the other leg, sucking the back of her knee and licking up the inside of her inner thigh. Jenny is getting wet, thinking about how good my tongue must feel on her skin.

Just then, my cell phone rings and I answer it. I step into the other room and can't see Jenny anymore. She lays back on the floor thinking about all I have said and done. She starts to pinch her own nipples, feeling them harden in her fingers. She then runs her hand inside her pants, and starts to caress her wet pussy. She is really getting in to it and doesn't hear me walk back into the room. I stand and watch for a few minutes as she brings herself to climax. Just as she is about to cum, I say, "You lose." She smiled, and says I guess I did. So she asks me what do I want? I think about it for a minute.

I decide that I want to watch her get herself off. She says okay. She starts to remove her clothes quickly, but I stop her and tell her first I want a strip show. So she puts her shirt back on and slowly removes her clothes, teasing me as she slowly removes each piece of clothing. She throws her bra into my face, then she undoes her pants, teasing me as she removes them. She stands there in her panties, then bends over and pulls them to the side so I can get a better view. I see how wet she is and start to caress my cock through my pants. She stands up and removes her panties, and throws them into my face and I smell her sweet soft scent.

Now she bends over and opens her butt cheeks so I can get a better view. While she's bent over, I hand her a dong I got when I went to the other room answering the phone. She grabs it and starts to rub it against her clit, then down to her wet vagina. To make sure it is wet, she rubs it hard against her clit, and turning it around, she places the fatter end inside her and rubs her clit with her other hand. She removes the toy and lays down on the floor, placing both legs on the coffee table, and opens them wide. I move close to her and remove my pants, sit down, and start to rub myself. Jenny gets an idea, and gets up, and goes into the other room.

While she's gone, I remove all my clothes, and wait for her to return. When she does, she has a glass of ice cubes, and a box of matches. She lights a candle, and then lays back on the floor. She allows the wax to drip on her breast as she rubs her clit with an ice cube. She then rubs the ice cube all over her wet pussy, and then up to her belly button. She slowly moves the candle down her stomach as the wax melts and drips on her body. As the wax drips on her body, she lets out soft sighs and moans. She allows the wax to run down between her legs, on her inner thighs, and all over her belly — and lower.

THE MAN CAVE

SOMETHING
NEW

She blows the candle out, and then takes another ice cube and runs it all over the wax that has collected on her clit. Sliding the ice cube all over, she then slides it inside of her, pushing it all the way in until it disappears. She starts to rub hard against her clit as the ice melts and runs from her pussy, making a wet puddle on the floor. I start to stroke myself more and harder, watching her as she moans and sighs. She starts to call out that she is cumming, and starts shaking as she sprays her lady-cum all over. Jenny has never gushed like that before, at least not while we've been together. Watching this, I pounded hard and fast on my cock and start to cum. I can't control my cock any more and so I lean over her and cum all over her boobs.

Now I get down on the floor and lay next to her. We hold each other and kiss. Her body is still shaking, but whispers that now she needs to be fucked — hard. She sits up and leans into me taking my semi-hard cock into her hands, and working it back up. She takes it into her mouth, tasting the remaining cum on my cock head. I then reach over and start to caress her wet and wax-covered pussy.

Feeling the ice water running from her pussy, she lays back. I place two ice cubes inside her, and then start to lick her there. She starts shaking again and it does not take her long before she is cumming once more. As the ice melts and runs out, I lick it up, tasting all of her sweet juices mixed with the ice water. Then I move and slide my hard hot cock into her cold, wet, tight pussy. She lets out a loud moan

and digs her nails into my back. I ram my cock in her hard and fast, each time feeling her get tighter, and tighter. She digs her nails harder into my back, and starts yelling out with pleasure.

After only two minutes of rest, she told me that she was now ready to try something new, if I was up to it. Why wouldn't I be? We both stood up, and she laid herself over the arm of the sofa. I stood behind her and opened her legs. Then I knelt down, and started to lick her wet pussy from behind. She starts to cum again, this time all over my face. I stand up and tease her with my cock, rubbing it all over her clit and smacking her butt with it. Slowly she reaches behind her and spreads her butt cheeks. She breathlessly moans that she wants me to fuck her ass. This must be her "new" situation, and I love it.

I had only butt-fucked one other girl before — back in college. I'm trying to remember the sensation when I start sliding in the head. I held it just inside her. She wanted more, so she starts to ram herself hard backwards against me. With me so deep inside her, she starts to cry out in loud sexual passion to fuck her harder, which I do until her screaming melts into a soft whimper of a final climax. Soon, as we're both covered in sweat, I start to cum. I pull out and spurt all over her butt. We fall to the floor tired, all hot and sweaty. After a few minutes, she says that we should take a shower, and finish up in there. I smile and tell her I'd race her upstairs.

**PRACTICE
makes perfect.**

In college, I had developed a reputation as a champion cock teaser, a young lady who let everybody know just what she had but didn't let just anybody touch. Then I got married and reserved those finely honed skills for my husband. Then we got divorced and I'm out there again, testing my cocksucking skills. Careful guys, I may be in your hometown next!

OFF THE RECORD

HI THERE

ADDISON ROSE

A photo of her boobs is in the dictionary under "pert." Her smile is worthy of a toothpaste commercial and her lithe body could be a winner on any TV dancing show. Hard to believe she's a veteran porn star!

Fox: (I'm meeting Addison at a mall food court. As she comes to my table, she's bringing a couple slices of pizza and a soft drink. I stand and help her with her chair. She smiles in thanks and puts the food down.)

Addison: Hi, I brought you a slice of pizza so I hope you like pepperoni and black olives.

Fox: Wow, thanks, that's my fave. How did you know? (She laughs)

Addison: Give me a sec, I'm hungry. I'll eat fast.

Fox: Oh no, take your time. You can answer even with your mouth full.

Addison: Is that a blow job joke?

Fox: No, not really. But since you brought up the subject, as a ten year vet, you must have had a lot of cocks in your mouth.

Addison: Yeah, I have. Some I've liked better than others. For me, I don't like the really big ones. My mouth isn't that big so why bother.

Fox: (I smirk as she takes a big bite.)

Of the ones that you liked, what did you like about them? Was it the head, the length, the curve, the taste? All of the above?

ADDISON ROSE

Addison: *It's most of the above. Like a big cock, I don't like a long cock. Guys want to shove it down your throat and that's not for me, either. I do like a nice head on the cock. It's nice to look at, since it's only inches from my eyes.*

Fox: You're known for your perky boobs, and for always changing your hair color. True?

Addison: *Well, yes to both. My boobs, are what they are. I'm all natural and there are times that they may seem bigger than others. My bra's go from A to D. I change my hair color mostly for work. The director or my agent will ask if I could be a blonde or a redhead or whatever. Actually, I like them all. The only thing I haven't done to my hair is make it jet black, or white.*

Fox: Sexually speaking, what have you done that you like, or don't like.

Addison: *A few years ago, I fucked a guy on a ferris wheel. It was moving and it was a little freaky. The bj wasn't too bad, but when I had to do a reverse cowgirl so the video dude could see my face as I was coming around. That's something I liked – and didn't like. They also asked me if I would fuck on a roller coaster. Hell no! I said.*

Fox: For all your years in the biz, you still look marvelously young.

Addison: *Thank you. I do try to take care of myself and my body. After all, it's what makes me money. I think no matter how sexual I was, if I didn't look good, I wouldn't keep working. I hope I can keep this look for another few years before they start calling me a MILF.*

Fox: I hope, as all your fans probably do, you'll keep working even when they do call you a MILF. Maybe you can be a cougar.

Addison: *(chuckles) Well, I'll deal with that when I get there. I love my fans and if they want that, I probably will.*

ADDISON ROSE

Fox: Speaking of fans, I understand that you're now doing a lot of web camming for them.

Addison: Yes, I got into that about five years ago. I was constantly asked by fans when I was at an appearance if I would do a web broadcast. I kinda hesitated at first, but when I researched it a bit, it didn't seem that hard, and I liked the way I could relate to my fans. I admit, I had help setting it up and understanding it. But now that I do, it's an easy way to keep myself out there. Also, most of my webcasts are just me, so it's easy on my mouth and pussy. (laughs)

Fox: (We have finished our pizzas and she's making slurping noises with her straw in the drink.) You said you wanted to go lingerie shopping so I'll save a few more questions for another time.

Addison: Yeah, I need some panties and want to buy a little nightie. My old one has rips all through it (laughs). Why don't you come with me to the store and I can model them for you.

Fox: Of course, I would like that. Do you promise to try on more than one?

BELLA BLAZE

I LOVE my breasts!

I wouldn't change a thing about them. Guys love lady boobs. I will never understand why but they hold special powers. So some days, like this week, my breasts are offerings to my lover. I am happy to offer them up to him. Two delicious mounds of pleasure to enjoy all night long. Soft, supple and firm. That's how I would describe them. Others would say – "delicious!"
